Dear Sir,

We are in receipt of your letter of the 14th inst. in which you remind us that the General Examination for maintenance of class of this steamer will require to be held before the end of April also that the Freeboard Certificate is due for renewal on the 6th May. We have both these surveys well in view and it is our intention to attend to these on vessel's return to this country which should be within the next three or four weeks.

Yours truly,
