

S. S. "Koranton"  
(Standard Type 'F')

Messrs. Doxford & Sons Ltd. Hull & Mach<sup>y</sup>. No. 543.

It is submitted the Sunderland Surveyors be requested to state whether the special duties in connection with the specification ceased at the date of transfer, or if then were carried <sup>on</sup> until completion of the vessel. If the former, they should state the percentage of work done in terms of form S.B. 3. on the hull, engines, boilers and installing of machinery at the date of transfer of the vessel.
