Sunderland, 5th May 1920

The Secretary,

London.

Dear Sir,

I am in receipt of your classing letter of the 4th instant and beg to state that in the S.S. "Koranton" 6 Bulkheads were fitted to the shelter deck and one to upper deck and regret that the cross bunker bulkhead was incorrectly stated as extending to the upper deck instead of the shelter deck in the report.

In the S.S. "Garbeta" the height of the coal bunker opening was 30".

I am, Dear Sir,

Yours faithfully,

L. S. Ashford
