9th March, 1934.

Dear Sirs,

M.

I have to acknowledge the receipt of your telegram of to-day regarding the S.S. "AGNES DUNCAN" reading as follows:-

"Agnes Duncan 20436 Owners desire dispense with ceiling
"under hatchways and suggest thickness tank top plating
"when built allows for this confirm by letter".

In reply I have to state that the ceiling in this vessel may be dispensed with under the hatchways in view of the thickness of the inner bottom plating fitted when the vessel was built; provided the tank top plating be examined and found in good condition.

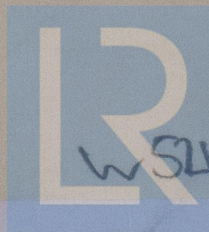

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

CARDIFF.
