Cardiff, 24th March, 1934.

Dear Sir,

With reference to your letter of the 19th instant respecting the steamer "AGNES DUNCAN" which is under our inspection for Special Survey No.2, it is anticipated this survey will be completed next week and we shall be glad if you will forward Convention Freeboard Certificates for issue when the survey is complete, under her present name, this being one of the conditions for the sale of the vessel, by the prospective buyers.

After the vessel has been accepted by them it is understood that application will be made on their request for fresh freeboard certificates to be issued when the name and registry of the vessel are changed.

We are, Dear Sir,

Yours faithfully,

The Surveyors,
