FREEBOARD REPORT on the "HANNAH"

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval.

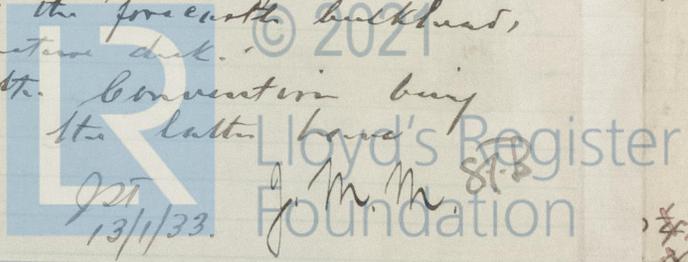

Subject to the bunker hatches on the freeboard deck in Bridge Space being provided with efficient hatch covers and a tarpaulin, the trimming hatches in bridge space being provided with a tarpaulin ^{and efficient battening arrangements} in each case.

all ventilators being provided with efficient closing appliances. Suitable provision being made for rigging life lines which should be available for use in any part of the ship which might have to be used by the crew in the regular working of the ship.

Minor repairs being effected to the securing arrangements of the doors closing the openings in the fore-castle bulkhead, and engine casings on superstructure deck.

The freeboards as computed under the Convention being in excess of the existing freeboards the latter have been reassigned.

Convention (Panama). U.K. Act.
