ENCLOSURE.

18th April, 1932.

Dear Sir,

I have to inform you that the Owners of the motorship "LAGANBANK" state that this ship is on passage to the Far East and that the necessary alterations to comply with the Convention freeboard requirements, together with the marking of the freeboards on the ship's sides will be carried out at your port or at Shanghai.

I therefore enclose for your information and guidance a memorandum giving the freeboards assigned and I shall be glad if you will give the case the necessary attention and forward the usual verification of marking form C.12a in due course.

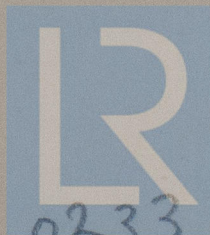

I am, Dear Sir,

Yours faithfully,

Secretary.

T. S. Morrison, Esq.,
