Dear Sirs,

F. I have to acknowledge the receipt of your letter of the 9th instant respecting the steamer "LONDON TRADER", from which I note that one item of the conditions of assignment has been complied with at your port, and that it is understood that the Owners intend to carry out the remaining requirements in London, and I may say that the Society's Surveyors at this port are being informed accordingly.

Thanking you for your attention,

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

HULL.
