24th July, 1923.

Dear Mr. Harris,

I am much obliged for your letter of the 23rd instant, in which you are good enough to draw my attention to the fact that no record appears in the Register Book of a donkey boiler being fitted on board the steamer "HUDDEA".

On looking into the matter I find that we have a detailed report of the donkey boiler in this office, but that we have never received any advice of the boiler having been placed on board the vessel.

The necessary correction in the Register Book will be made at once.

Thanking you for your letter and with very kind regards,

I am,

Yours sincerely,

A.B. Harris, Esq.,
BARRY.
