Dear Mr Redman,

The records in the Register Book for the Steamer
"NUDDEA", No 28907 appear to be incomplete.

This vessel is fitted with a Donkey Boiler of
which no record appears. The marks on the Boiler are:

No 15174
Lloyds Test 220 lbs.
Working pressure 110 lbs.
12. 3. 20.
J. E.

It is stated that this Boiler was fitted on board in
London in December 1921.

Yours faithfully,

C. F. Redman, Esq,
LONDON.
