71, Fenchurch Street, E.C.3.

11th May, 1938.

Dear Sirs,

H. With reference to the 3rd Special Survey No. 3 which became due at the end of October last on the steamer "ANTONIOS MICHALOS", and to the entry in the List of Limitation Surveys regarding this vessel, I have to acquaint you a report has been received from the Piraeus Surveyors from which it appears that a satisfactory General Examination has been carried out with a view to the vessel proceeding on a voyage to Nicolaieff and thence to Sete and Genoa at which latter port she will be broken up.

I shall therefore be glad if you will keep this case in mind on the vessel's arrival at your port and advise me in due course when the work of demolition is commenced.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
GENOA.
