Dear Sirs,

With reference to the classification of the above named vessel in the Society's Register Book, I am directed to remind you that the ^{Second} Special Survey No. 2 prescribed in the Society's Rules for Iron and Steel Ships is now due, and I shall be obliged if you will kindly state for the information of the Committee when and at what port it will best suit your convenience to comply with this requirement, in order that the vessel's character may be duly continued in the Register Book.

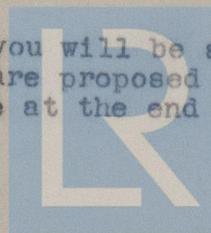

I am, Dear Sirs,

Yours faithfully,

Secretary.

P.S. At the same time perhaps you will be so good as to let me know what arrangements are proposed to be made for the Boiler Survey, also due at the end of last month, to be carried out.
