

URGENT.

S.S. "TOTNES" ex "Earl of Durham"  
-----

This vessel was built in 1918 to class with the Bureau Veritas, and is at present under survey at Grimsby with a view to class with this Society.

A plan of pumping arrangement has been received for consideration.

The pumping arrangements as shown on the plan are in accordance with the requirements of the Rules in force at the time the vessel was built.

It is submitted that the pumping arrangements might be accepted, provided they be as shown on the plan and in satisfactory condition.

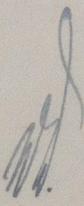

return plan and 2 reference plans.
