Dear Sirs,

I have to inform you that plans of midship section and part profile have been forwarded to this Office by the Society's Surveyors at Sunderland of the Steamer "EARL OF DURHAM", which vessel it is proposed to class with this Society.

As however these plans are made out in the Dutch language they are enclosed herewith, and I shall be glad if you will be good enough to translate the same and return them to this Office as soon as possible.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ROTTERDAM.
