ANSR.

The Secretary,

LONDON.

Dear Sir,

Referring to your letters of the 19th January last and 9th instant respecting the equipment of the steamer "STURE", Göteborg first entry report No. 3074, I beg to acquaint you that the Owner states no opportunity has as yet been afforded to have the stream anchor tested. He states however that the vessel is expected to arrive at this port in about a fortnight's time, when the stream anchor will be sent to Stockholm for testing.

I am, Dear Sir,

Yours faithfully,

V. Bulow
