

"PORT JACKSON".

I discussed Mr. B. Wyn Irwin's letter with Mr. Rooper on the phone today.

Mr. Rooper stated that the note handed in by Mr. Corry was substantially correct, and that the heavy lurch which was experienced by the "PORT JACKSON" took place between 2.25 and 2.35 on the morning of the 14th March.

16. 6. 38.
