NEWCASTLE/TYNE.

93167. "TEESPOOL". It is noted from your memorandum dated the 16th instant that this vessel has left the Tyne for Rosyth where she is to be broken up. In view of the General Examination which was held by you in November last, the Committee have deferred dealing with the vessel's class pending information from the Leith Surveyors that demolition has been commenced.

I enclose for your information a copy of my letter to the Leith Surveyors on the subject.
