YOUR REF. S.

Dear Sir:- S.S. "STEFANOS COSTOMENIS"

Referring to your letter of the 14th inst., relative to a bolted doubling plate in way of fractured shell plating in the fore peak on the port side, of this steamer, we beg to inform you that the Master will see that the doubling plate is rivetted at Havana, Cuba, at which port he expects to be in the course of a few days. At the present moment the ship is at Santiago (Cuba).

With regard to the latter part of your letter we beg to say that as the ship will very shortly be on this side we purpose going into all these matters on her arrival, especially in view of the proposed commencement of the Second No.3 special survey. We may add that after the port of Havana the vessel will spend only a few days at Tampa and thence she will proceed direct to this side.

We trust that the above will meet with the approval of the Committee.

We are, Dear Sir,

Yours faithfully,

RETHYMNIS & KULUKUNDIS, LIMITED,

S. P. P. P.
DIRECTOR.
