Received from Chief Ship Surveyor.....

VESSEL'S NAME "AEOLUS" Rpt. Ant. No. 20116

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey.....

The Antwerp Surveyors report this ship examined as far as practicable afloat after grounding.

Soundings taken and no leakage found.

The Surveyors, however, recommend the vessel be placed in dry dock for further examination at the first convenient opportunity.

It is submitted action be deferred and the Owners informed of the Surveyors' recommendation.
