# Lloyd's Register of Shipping.

Port of ANTWERP.

25th October 1935,

**This is to Certify** that I have

Surveyed the S/S "AEOLOS", 3051 tons gross, of Piraeus, whilst lying afloat in the Terneuzen Canal, stated to have been aground at Sundjuk Point entrance to Novorossisk harbour on the 3rd September 1935 on voyage to Novorossisk,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that ~~all repairs recommended by me have been completed to my satisfaction,~~ and that I have **Recommended** that she be continued as classed in the Society's Register Book without fresh record of survey, subject to being placed in dry dock for further examination at the first convenient opportunity,

being fit to carry dry & perishable cargoes.

*F. L. Rabey*

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Committee or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
