Dear Sir,

I have to acknowledge the receipt of your letter of the 25th instant, with its enclosure, relative to the repairs carried out at Calcutta on the boilers of the steamer "MANIPUR", and have carefully noted your remarks.

With regard thereto I have to request that you will be good enough to obtain some of the defective rivets from Messrs. Goodwin-Hamilton & Adamson, Ltd. and forward the same to the Society's Glasgow Office for examination by Mr. Lewis.

I shall also be glad if you will arrange for the sample of boiler water to be analysed in Liverpool, and forward to this Office the analyst's report.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

The Secretary,
LIVERPOOL.
