re. of Middlesex - Swan Hunter, Lougham Richards & Co. Ltd.  
No. 1026. Built. 1920 - 9.

Dear Sir.

I beg to enclose herewith print in duplicate shewing flexible seating for Turbine gear Case, which is proposed to be fitted in above Vessel, It is understood that this four point suspension seating has been designed to fulfil Messrs Metropolitan Vickers' requirements and is submitted for approval. -

"I gather that the original gear which is of a rigid type has not given entire satisfaction - The wheels will now be re-shrouded, and a different shaped tooth cut - Messrs Vickers, I understand are to have a free hand in the alterations so that a Builders guarantee can be obtained"

yours faithfully  
Leonard S. Hallcross.
