Dear Sir,

With reference to your assignment letter of the 16 Sept. regarding S/S "Equator" I beg herewith to forward you the free-board verification form and at the same time I beg to inform you that the conditions on the attached sheet have been dealt with as follows:

1. Eyebolts fitted to bulkheads and ventilator coamings for rigging lifelines.

2. The ventilators are in my opinion efficiently supported by bulkheads and deck girders.

3. The No 12 hatchway on the poop deck fitted with one hatch beam as below

I am Dear Sir,

Yours faithfully,

Ossian Tybeck
