Port of Aberdeen.

Dear Sir,

s. t. "CHERITON".

We received your reminder about the account of £5.5.0. in connection with the above vessel.

While we appreciate your assistance at all times we think this charge is a little on the high side especially as the vessel was afterwards scrapped and I thought it better to write and express my opinion rather than pay it with a bad grace.

As you know I had my own Engineer up there also Mr. Casebourne, and quite a lot of other expenses to meet in connection with this business.

We shall esteem it a favour if you could see your way to reduce this account to £3.3.0.

Thanking you,

Yours faithfully,  
for THE BOSTON DEEP SEA FISHING & ICE CO. LTD.General Manager.
