24th August, 1937.

Dear Sirs,

I have to acquaint you that a report on the steamer "ARANKOIA" has been received at this Office from the Society's Surveyors at Calcutta, from which it appears that a General Examination has been made of this vessel with a view to the issue of a certificate to enable her to proceed to Japan (via Rangoon, Singapore and Chinese ports) for breaking up purposes. It is understood that the purchaser of the vessel is Mr. Tamiyasuke Miyachi, of Kobe.

In the circumstances, I shall be glad if you will be guided accordingly and advise me as soon as the work of demolition is commenced.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

K O B E .
