17th December, 1937.

Dear Sir,

S. I am in receipt of your memorandum of the 14th instant respecting the steam trawler "BOSTONIAN", from which it is noted that the Owners state the vessel will be slipped early next month, when the Second Special Survey No.2 will be advanced, and arrangements will be made to complete this inspection after Easter.

The case has received the consideration of the Committee today, who, in the circumstances, will not object to this proposal.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

Mr. R. Rennie,  
FLEETWOOD.
