201, Tower Building,

Liverpool, April 23rd 1929

Dear Sir.

Steam Trawler "DRAGON ROUGE".

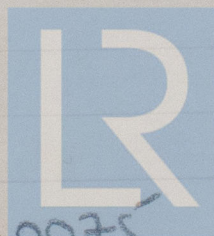

Further to my letter of 17th inst. enclosing plans for the above, I now beg to submit for approval the Boiler & Pumping Arrangement plans of the above vessel.

Please note that the Donkey Boiler shown on plan has been removed.

Kindly return plans as soon as possible as the vessel is urgently required.

Yours faithfully
Charles W Reed
