Dear Sir,

With reference to the Secretary's letter of the 12th instant regarding the steam trawler "DRAGON ROUGE" which it is intended to classify with this Society.

I beg to submit herewith for your approval plan (profile and midship section) of this vessel which has now been received. Kindly return same as soon as possible as the vessel is now being opened out for survey and alterations.

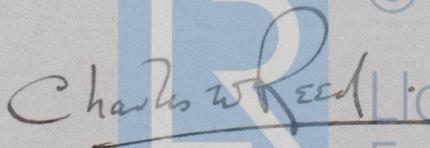

It is intended to shorten the forecastle by about 9 feet, and make the after hold into a cabin.

The Owners are endeavouring to obtain a plan of the Boiler which the builders state was made by Messrs. Hawthorn Leslie & Co. Ltd. Newcastle.

It is proposed to rename the vessel "BOSTONIAN"

I am, Dear Sir,

Yours faithfully,

  
Charles W. Reed

The Secretary,

LIVERPOOL.
