Steam Trawler "DRAGON ROUGE", No. 5788 in Register Book.

Gross Tonnage 295 - Nominal Horse Power 91

This vessel was built in 1916 by Messrs. Smith's Dock Co., Ltd., Middlesbrough, and is classed with the Bureau Veritas.

A letter has been received from the Boston Deep Sea Fishing & Ice Co., Ltd., Fleetwood, stating that they have just purchased this trawler, and that they desire to be informed regarding the classification with this Society and the fees for the same.

It is submitted they be informed that the vessel, has never been classed with this Society, and that to enable her to be so classed it would be necessary for the requirements of the Rules for trawlers not built under survey to be complied with, and in the first place for drawings showing the scantlings of the vessel to be forwarded for consideration.

The fee for classing the trawler with this Society would be £35. (Thirty-five pounds.)
