25th April, 1905.

Gentlemen,

I have to confirm my telegram to you to-day as follows, viz:-

"DUNKELD Laings 606 freeboards given your report  
"recommended approval"

At the same time I have to request that Mr. Allan will be good enough to state the height of the deck erections and the thickness of the bridge front stiffeners, these particulars having been omitted from his report.

The approved plans of the vessel, forwarded for reference, are returned herewith.

I am, Gentlemen,

Your obedient servant,

Secretary.

The Surveyors,

SUNDERLAND.
