

A. 1m, 12, 22.

FREEBOARD REPORT on the

M. V. "Infante Don Jaime".

It is submitted the freeboards given on the accompanying form being those required by the Tables merit approval, the same to be marked on the vessel's sides, inserted in the certificate of classification, and recorded in the Register Book.

In view of the protection given to No. 1 Hatchway on the Superstructure Deck by the Forecastle and Round House under Forecastle, it is also submitted that the reduced height of Hatchway coaming, viz 15" above the shell deck be accepted.

It is assumed that the lower deck scuppers are led to the bilges but the surveyor should confirm this.
