71, Fenchurch Street, E.C.3.

23rd August, 1939.

Dear Sirs,

S.

I am in receipt of your letter of the 18th instant respecting the anchor stated to be ex the Steamer "CHYRBASSA" and in reply may say that from the records in this Office, it cannot be stated that this anchor was on the vessel in question as she was out of class for a time.

With regard to the postscript of your letter, I would inform you that if the marks on the anchor correspond with the particulars on the certificate, the anchor can be accepted as identified.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

GENOA.
