Secretary,
Register of British & Foreign Shipping,
41 Fenchurch St.
London E.C.

Sir,

S.S. Ketherton

We understand that your commis-
sioner has agreed to assign a free-
d of 6'6 $\frac{1}{2}$ " instead of 6'10" to
be such as the above.

The 'Ketherton' loads out
Cardiff will be there
at 20th instant. We shall be
glad if you will instruct your
surveyors there to superintend the
marking of the mark.

We are,

Yours truly,
John Greenlees & Co.

Referred to the Chief Ship Surveyor

AS

14 NOV. 1905

Steamer "Netherton"

It is submitted the Cardiff Surveyor should be informed the expected date of arrival and requested to visit the vessel and report on the form as to the present character of the deck erection. The Owners should be informed the Society's Surveyors are being instructed to give the case the necessary attention on arrival and report for the information of the Committee with a view to amended freeboards being assigned.
