Received from Chief Ship Surveyor _____

VESSEL'S NAME Twin Screw Motor "HERA". Rpt. _____ Rot. _____ No. 9790

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

of Survey _____

It is submitted the Amsterdam Surveyors be informed that this vessel has proceeded to their port where the machinery is to be fitted, and that to complete the survey for the first entry of classification, the motor room skylights require to be riveted up, and they should be requested to give the case attention, and on the completion of the survey to forward a report on Form 8.
