Oslo, 16th April 1934

Dear Mr. Stephenson

I duly received your letter of the 12th instant regarding the freeboards of the steamer "WAGLAND" and beg to inform you that the freeboards as marked were after all those in accordance with the 1909 regulations and we therefore require two copies of the computation under the 1909 Rules.

I regret I did not notice this discrepancy when signing the letter.

F. Stephenson Esq.
London.

With kind regards

Yours faithfully
