ENCLOSURE.

Dear Sirs,

I have to acquaint you that Convention ordinary freeboards have been computed in the case of the steamer "WAGLAND" on the basis of the information supplied in Bergen Report C.11, and I enclose herewith the report in question and computation, together with the freeboard certificate in triplicate, for dealing with in accordance with the usual procedure.

In connexion with this case I may say that the Convention freeboards are greater than those which could be assigned under the existing Norwegian Regulations of 1909, and it is therefore concluded that the Owners will desire the latter freeboards and the certificate has been prepared accordingly.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

OSLO.
