

dated 10th February, 1922.

S. S. "WAGLAND".

The Owners of the Steamer "WAGLAND" state that the vessel's freeboard was altered at Aalborg in the Spring 1921, when the freeboard was ^{de} increased by 1½".

is submitted the Bergen surveyor informed that no alteration has been made in the freeboards assigned by this Society since the original assignment dated 30.10.16. It is probable that freeboards under Norwegian Regulations have been assigned, in which case the surveyor should forward particulars to this office.
