

s.s. "MINDEROO"

I called on the Salvage Association and was informed  
mond that the Owners had already been in touch with them, but  
had not received a cabled report of the survey held by the  
Surveyor.

Mr. Edmond added that the Society's Surveyor<sup>also</sup> acted  
s Agents Surveyor, and in the circumstances asked that, if  
they might be furnished with a copy of any cabled report  
at this Office regarding the survey.
