NORMAN GEORGE TURNBULL will say :-

I am the Principal Surveyor at Newcastle of Lloyd's  
Register of Shipping.

Between the 31st October and the 16th November, 1935,  
I visited the S.S. "SHEAF BROOK" in dry dock at Messrs.  
Swan, Hunter's Yard at Wallsend-on-Tyne.

I produce a copy of my Report dealing with the  
matters which I investigated at that time.
