Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

10th December, 1935.

Dear Sirs,

I am in receipt of your memorandum of the 6th instant relative to the steamer "SPILSBY", and in reply I have to say that in view of your intimation that this vessel is still laid up in the Tyne, the Committee have today deferred consideration of the case for the present, subject to the Boiler Survey being carried out before the steamer again proceeds to sea.

I shall be glad if you will inform the Owners' Representatives to this effect.

I am directed to request that in the event of the sale of this vessel being completed you will advise me immediately, in order that the case may receive further consideration.

I am, Dear Sirs,

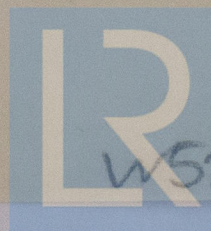

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

NEWCASTLE-ON-TYNE.
