Dear Sir,

Steamer "SPILSBY"

In reply to your letter of the 1st inst.,  
we beg to state that this vessel is still laid up at  
North Shields.

We are informed by the Owners Superintending  
Engineer that he understands the vessel has been sold and  
is to proceed in the course of the next month or so with a  
cargo of coal for Italy where she is to be broken up.

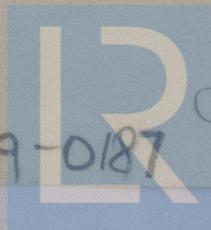

Before this takes place, however, the necessary  
arrangements will be made with the Society.

We are, Dear Sir,

Yours faithfully,
