Lloyd's Register of Shipping,

London, E.C.3.

Sir,

We are in receipt of your letter of the 3rd. inst. and pleased to hear that there will be no objection to our taking the "SPILSBY" out to Italy without a general examination for the purpose of being broken up.

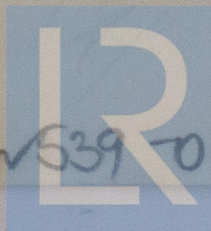

With reference to your remarks regarding the Boiler Survey we would point out that this became due in May and not as stated in your letter, and that no survey work at all has been carried out as yet. However as the "SPILSBY" has been laid up in the Tyne since November last we shall be glad if whether your Committee will also waive the question of Boiler Survey.

Yours truly,

SIR R. ROPNER & CO. LIMITED.

J. R. Ropner.
