Communications to be addressed to—
THE SURVEYORS.

Dear Sir,

S. We are in receipt of your letter of the 25th instant regarding the steamer "TENBERGEN" and the contents of which with regard to the date of build will be brought to the notice of the Owners as desired.

Before writing to them that a new first entry certificate can be issued, I think it well to further draw your attention to this case as there appears to be still some difficulties with regards payment between the Builders and the Owners, and as the Builders refuse to issue the first entry certificate of this vessel before their case is settled, I think that we may come in some difficulties in case we provide the Owners with the new first entry certificates, as the Builders have paid the fees for same which were issued upon completion of the vessel.

I shall be pleased to hear your remarks in this case.

I am, Dear Sir,

Yours faithfully,

The Secretary,
LONDON.
