JFH

25th February, 1926.

Dear Sirs,

S. I duly received your letter of the 19th instant enclosing one from the Owners of the steamer "TENBERGEN", relative to the date of build of this vessel, and with regard thereto I have the pleasure to say that in the special circumstances mentioned by the Owners, the Committee have decided to amend the date of build to September, 1922 as desired. I shall be glad if you will inform them accordingly.

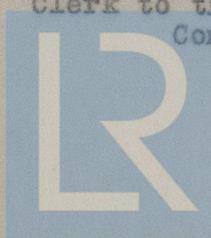

At the same time I shall be obliged if you will inform the Owners that if it is their desire, a fresh first entry certificate can be issued with the date of build as now amended, and that the charge for this document will be One Guinea.

I shall be pleased to learn in due course whether such a certificate should be prepared.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,  
ROTTERDAM.
