## SUPERINTENDENT'S DEPARTMENT

Messrs. Lloyd's Register of Shipping.

ROTTERDAM.

Dear Sirs,

ss. TENBERGEN.

We are in receipt of a letter from your Head Office in London, advising us that this steamer is now due for Special Survey No 1, but we should like to point out that this steamer was not completed until the month of September 1922, so should feel greatly obliged if you would take this matter up with your Committee with a view of having the date altered to that month.

In the event of your Committee agreeing to this extension of date, we should be pleased to learn whether a new Certificate for the Hull will be issued, as up to the present time, we have not had one in our possession.

Yours faithfully,

FURNESS SHIPPING AND AGENCY COMPANY.

ONTVANGEN

19 FEB. 1926
