# Lloyd's Register of Shipping.

Port OF LIVERPOOL.

28th October, 1938.

**This is to Certify** *that I have*

*Surveyed the Boiler and Machinery of the* S.S. "NASHMYTH"  
*6509 gross tons of Liverpool, whilst afloat at Liverpool.*

*and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have*

**Recommended** *that the record of* vessel remains as now classed, without fresh record of survey, for voyage to be made in the Register Book in the case of this vessel. Rotterdam, where the vessel is going to be broken up.

*L. Norman Smart*

Engineer Surveyor to Lloyd's Register.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any publication of the Society, or for any error of judgment, default or negligence of any of its Officers or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
