QUESTION.

Doubtless you are aware that this vessel, the class of which was expunged with the notation "Stranded 8,37- in port damaged", is now the property of the Yamashita Kisen Kabushiki Kaisha, and that she has been renamed "YAMABUKI MARU".

As she is not being repaired for re-classification with this Society, I shall be glad if you will kindly bear this case in mind and let me know immediately the repairs are finished and she has commenced sailing again.
