They are anxious to have a reliable representative in the case and in the special circumstances have requested that you may be authorised to act on their behalf in addition to carrying out the survey for classification.

I may say that the Owner's request in this instance has been agreed to, and I shall be glad if you will be guided accordingly.

At the same time I would confirm my cablegram to this effect as per copy enclosed herewith.

I am, Dear Sir,

Yours faithfully,
