Dear Sirs,

With reference to the Screwshaft Survey which became due at the end of July last on the steamer "ESSEX MANOR", I have to acquaint you I am informed by the Owners that this vessel has been ashore in Japan and they have no doubt that the above inspection will be carried out when the necessary repairs are effected.

In the circumstances I shall be glad if you will arrange for the case to receive the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

YOKOHAMA.
