Dear Sir :

S.S "ABEL TASMAN".

We have to acknowledge receipt of your letter of the 22nd inst. regarding the Second Special Survey No. 2 of the abovementioned vessel, and in reply beg to advise that it is tentatively proposed to put her through Survey in Sydney in September next.

We presume, therefore, that in view of the postscript of the letter which you enclosed it will be unnecessary in present circumstances to drydock the vessel.

Yours faithfully,

H. C. SLEIGH.
